

## Contact Information for Hurricane Katrina Recovery Contracting Opportunities

### Federal Emergency Management Agency

- Website – [www.fema.gov](http://www.fema.gov)
- Telephone – (202) 646-4006 (this is the Acquisition Voice message system of FEMA's Office of Financial Management).

This number provides the following disaster contracting information for work in the following areas:

1) *Housing Inspector*:

- Parr Inspections ([www.parrinspections.com](http://www.parrinspections.com)) – Contact Dennis Kiwatowski at (703) 549-0851.
- Alltech, Inc. ([www.pbinspections.com](http://www.pbinspections.com)) – Contact an Inspector Hotline Representative at (800) 411-1177.

2) *Disaster Assistance Employee* – Contact FEMA at (800) 879-6076.

3) *Public Building Inspector* (also includes other public infrastructure inspection):

- Emergency Response Program Management Consultants – Contact Tom Loomis at (703) 807-2554.
- Fluor Daniels, Inc. ([www.fluor.com](http://www.fluor.com) – this page has links for registering as a supplier or contractor) – Contact Brian Leap at (202) 812-9696.
- Dewberry, Inc. ([www.dewberry.com](http://www.dewberry.com) - this page has links for registering as a supplier or contractor) – Contact Scott Martin at (703) 849-0392.

4) *Small Business* – Small businesses should register on the **Pro-Net** system maintained by the U.S. Small Business Administration at [www.sba.gov/la/opportunities.html](http://www.sba.gov/la/opportunities.html).

### National Emergency Resource Registry

- Website – [www.swern.gov](http://www.swern.gov)
- The NERR is maintained by the U.S. Department of Homeland Security and allows entities that have resources to sell or donate towards the Hurricane Katrina recovery effort to register such resources. A number of federal agencies support entities interested in Hurricane Katrina recovery work should register at [www.swern.gov](http://www.swern.gov).

### U.S. Army Corps of Engineers

- Website – main: [www.usace.army.mil](http://www.usace.army.mil); Memphis office (which handles Louisiana work): [www.mvm.usace.army.mil](http://www.mvm.usace.army.mil). **BOTH OF THESE SITES HAVE BEEN DOWN.**
- Telephone – (Memphis contracting division) (901) 544-3116 or (901) 544-3117.

For clean-up work in Louisiana or Mississippi, you can contact:

- Ashbritt Environmental ([www.ashbritt.com](http://www.ashbritt.com) – site has a link to register as a subcontractor) – Call Terry Jackson at (800) 244-5094 or (954) 545-3535.

For temporary power support and generator activities, you can contact:

- IAP Worldwide Services ([www.iapwws.com](http://www.iapwws.com)) – Call L.D. Hutto at (803) 798-1611, ext. 121, or John Barrett ([jbarrett@iapwws.com](mailto:jbarrett@iapwws.com)) at (803) 798-1611, ext. 122.

### **Louisiana Office of Homeland Security and Emergency Preparedness**

- Website – [www.ohsep.louisiana.gov](http://www.ohsep.louisiana.gov)
- Telephone – (225) 925-7500

This agency has been listed by FEMA as an agency to contact for information regarding disaster contracting opportunities. The website does not currently list any information regarding disaster contracting, and calls to the agency have resulted in being directed to the National Emergency Resource Registry.

You may apply directly with Prime Contractors to gain subcontracting opportunities. Some of these prime contractors are:

**1) The Shaw Group, Inc.**

- Website – [www.shawgrp.com](http://www.shawgrp.com)
- Telephone – General number: (225) 932-2500 or toll free (877) 271-4543. Contact Jackie Hacker ([smallbusiness@shawgrp.com](mailto:smallbusiness@shawgrp.com)) at (913) 485-1345 or Neil D. Lentz ([neil.lentz@shawgrp.com](mailto:neil.lentz@shawgrp.com)) at (865) 690-3211.

**2) Bechtel National, Inc.:** [www.bechtel.com](http://www.bechtel.com). You may call (240) 379-3261.
